Jim and the Anderson Group,

I want to thank you again for providing wonderful service to our new home. By you making the effort to come to our home to run through your product proved your dedication to the satisfaction of our HVAC system. Not to mention your care for the customer.

The new thermostat you provided at no cost was a kind gesture, which was above any expectation. The technician who installed the thermostat and troubleshot the unit was friendly and knowledgeable of my questions.

We are fortunate that DenMark Homes chose Anderson to provide our HVAC. I will undoubtedly suggest Anderson to anyone building a home or needing repairs.

Sincerely,

The Galloway's
